

Smart Engagement

Use the CCA App to Get Your CEUs!

Sign-in with your mobile device to get your Conference CEUs added to your account within 24 hours.

Just follow these steps:

1. Go to your device's app store and search Certified Crop Adviser.
2. Download the app and sign in with your email and password we have on file for you.
3. Click Scan Course Code and hover over the QR code for the session you are attending.
4. Once scanned, the app will automatically sign you in.
5. A message thanking you for signing into the session will appear. This indicates you've signed in successfully.
