# Submit an Abstract by 25 May to Save!

May 1, 2023

*Submit an Abstract by 25 May to Save!*

---

Share your science and submit an abstract to present at our 2023 International Annual Meeting, 29 October–1 November in St. Louis.

All scientific abstracts are accepted!

Gain presentation experience and professional recognition among premier agronomic, crop, soil, and related science professionals. Your efforts will expand your CV/vita, disseminate information for all to succeed, and foster lasting collaborations with your peers.

Don't have the detail you need to submit an abstract? No problem! Abstracts at this point are simply “holding slots” that reserve your spot in the desired session. Submit now and update later!

Final in-person abstract submission deadline is June 13; final virtual abstract submission deadline is September 20.

Visit [acsmmeetings.org/submit](https://acsmmeetings.org/submit) for more information.

## Submit an Abstract

May 25 | Early Deadline

June 13 | Final In-Person Deadline

September 20 | Final Virtual Deadline

**2023 ANNUAL MEETING**
