Global Agronomy Section, Early Career Members Committee partner with International Agronomy Congress

September 23, 2025

The Global Agronomy Section (ASA) and the Early Career Members Committee (ASA, CSSA, and SSSA) have agreed to partner with the 6th International Agronomy Congress . Organized by the Indian Society of Agronomy, the event will be held Nov. 24–26, 2025

in New Delhi. As partners, the Section and Committee will have a booth at the event and a number of their members will be attending. They encourage other Society members to check out the Congress: https://iac-isaindia.in/.
