Science Societies

Advance yourself professionally while advancing science

January 29, 2020

Membership in the Societies is a valuable component of your professional career. Take your membership to the next level and share your expertise, passion, and connections by hosting a special session, professional tour, or workshop at the 2020 ASA, CSSA, and SSSA Annual Meeting.

Anyone can submit a special session, tour, or workshop. Special session topics must be of interest to all ASA, CSSA, and SSSA members. Professional tours should allow your peers to gain behind-the-scenes access, and workshops should offer hands-on experiences.

Submit today to gain professional recognition, share information for all to succeed, and foster collaborations with your peers.

Learn more at acsmeetings.org/submit. Submit online now through 28 Feb. 2020.
