Erratum

October 2, 2020

We wish to report an error in the September 2020 issue of *CSA News* on p. 33. The text in the graphic under "Considerations of Use" should have read "No" above the "Bohr Pure basic research column" and "Yes" above the "Pasteur Use-inspired basic research" column. The correct version of the graphic is shown here. We regret the error.
