

Geophysical methods and agriculture

Listen to the latest podcast episode

June 23, 2026

Geophysical Methods and Agriculture with Dr. Sophia Becker | Field, Lab, Earth Podcast #146

challenges for geophysical methods.

Geophysical tools can help boost productivity and cut costs in the field, but as with all areas of technology, work must be done to ensure smooth and useful implementation. In this episode of the *Field, Lab, Earth* podcast, we discuss opportunities and
