Nominate a sustainability champion for nationwide recognition

July 15 is the deadline for Field to Market's Sustainability Leadership Awards

June 26, 2026

Celebrate the sustainability leadership of a farmer, trusted farm adviser, and/or value chain partnership through nomination to the 2026 Sustainability Leadership Awards—Field to Market's highest honor for outstanding commitment to environmental stewardship, efficiency, and innovation.

Award categories

- **Farmer of the Year** – A producer demonstrating exceptional leadership in sustainability.
- **Trusted Adviser of the Year** – A farm adviser making a significant impact in sustainable agriculture.
- **Collaboration of the Year** – A partnership driving positive change in the agricultural value chain.

*Nominees must use the **Fieldprint Platform** to be considered.*
