

Find your Mentor Match for CANVAS

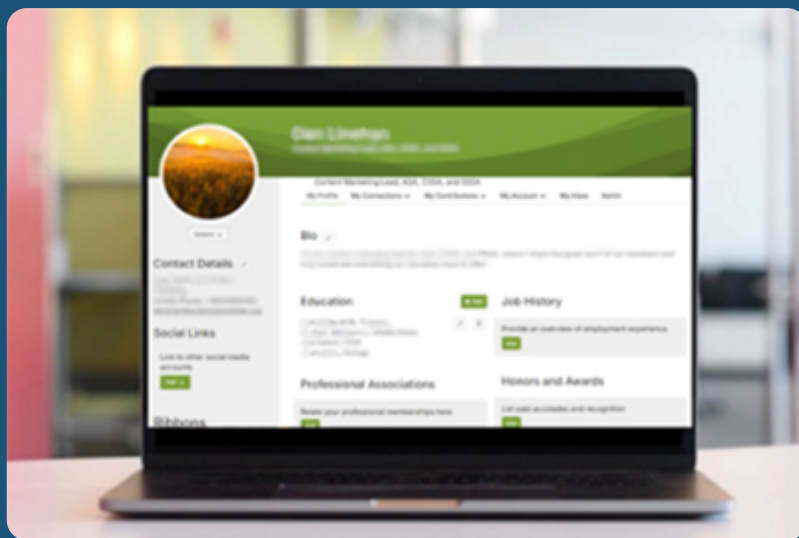

September 3, 2026

Find your Mentor Match for CANVAS.

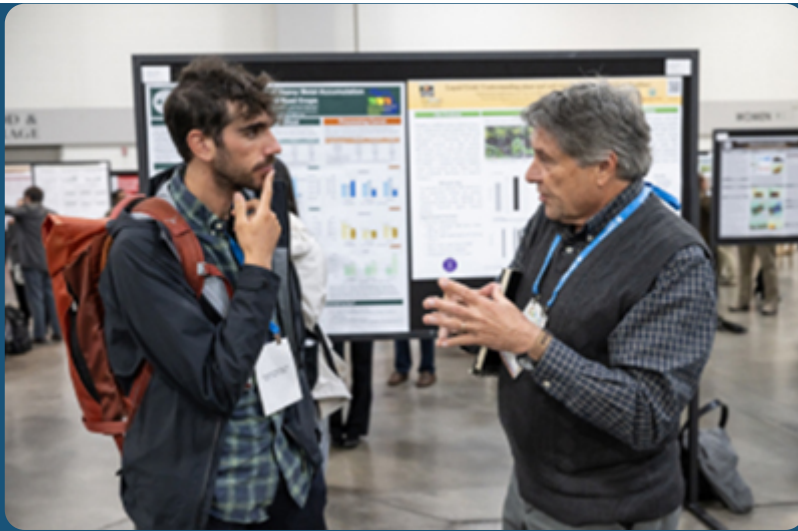

One conversation can shape a career. Mentor Match helps CANVAS attendees connect with fellow Society members for mentoring relationships before, during, and after the meeting. Whether you're looking for guidance or ready to give back, Mentor Match makes it easy to connect. You'll find potential matches based on your interests, expertise, and professional goals—making it easier to build connections that last.

How Mentor Match works

Complete your Hub profile

Mentees will use Member Hub profiles to select the right mentor.

Enroll as a mentor or mentee

We'll ask for your areas of expertise, career stage and your focus area.

Find a mentor or accept requests

Mentees should pick the mentor they think is right for them.
