October webinars: A biostimulant approach to yield—and more

October 5, 2026

The root of the matter: A biostimulant approach to yield

Thursday, October 29, 11 am–12 pm CDT

Understand non-microbial biostimulants: Explore how liquid biochar, humic substances, and seaweed extracts can support plant and soil health.

Hear the latest findings: Discover the latest research findings and field results on biostimulant performance..

Sponsored by ICL Growing Solutions

CEUs: 1.0 Crop Management (CCA/CPAg) and 1.0 Professional Meetings (CPSS/CPSC)

Presented by **Christi Falen**, ICL Growing Solutions, U.S. Sales Agronomy Manager; and **Dr. Matthew Smith**, Chief Technology Officer, EVOIA.
