Societies**

Congressional Visits Day Awards open through December 3

October 7, 2026

Scientists, students, and certified professionals are highly effective advocates for food, agriculture, and natural resources research funding. Each year, Congressional Visits

Day (CVD) gives ASA, CSSA, and SSSA members an opportunity to engage with Capitol Hill and show the value of research funding. The next Congressional Visits Day will be held on **Mar. 15–18, 2027** in Washington, D.C. Members interested in science advocacy can apply for the [Congressional Visits Day Award](#). Selected participants will receive fully funded travel and lodging to attend.
