Science Societies

2025 Society election results

April 8, 2025

The 2025 ASA, CSSA, and SSSA election results are in. Join us in congratulating those newly elected who take office on Jan. 1, 2026.

American Society of Agronomy

ASA President-Elect

- James A. Ippolito, Ohio State University

James Ippolito, 2026 ASA President-Elect

ASA Board Representative

- **Early Career**

  Eugene Law, Ohio State University

- **Environmental Quality Section**

  Tyler A. Groh, Pennsylvania State University

- **Graduate Student**

  Preetaman Bajwa, Cornell University

- **Industry**

  Colin S. Campbell, METER

- **International Certified Crop Adviser**

  Michael J. Mulvaney, Mississippi State University

ASA Section Vice Chairs

- **Agronomic Production System Section**

  Logan Simon, Kansas State University

- **Biometry and Statistical Computing Section**

  Reka Howard, University of Nebraska–Lincoln

- **Climatology and Modeling Section**

  Gurjinder Singh Baath, Texas A&M AgriLife Research

- **Education and Extension Section**

  Josh J. Lofton, Oklahoma State University

- **Environmental Quality Section**

  Hardeep Singh, University of Florida West Florida Research & Education Center

- **Global Agronomy Section**

  Andrea D. Basche, University of Nebraska–Lincoln

- **Land Management and Conservation Section**

  Adebukola O. Dada, Purdue University

Crop Science Society of America

CSSA President-Elect

Gary J. Muehlbauer, University of Minnesota-Twin Cities

Gary Muehlbauer, 2026 CSSA President-Elect

CSSA Board Representatives

- **Division C-1 Crop Breeding and Genetics**

  Jean-Luc Jannink, USDA-ARS

- **Division C-4 Seed Physiology, Production, & Technology**

  Hannah R. Jeffery, Texas A&M University

- **Division C-8 Plant Genetic Resources**

  Dipak K. Santra, University of Nebraska–Lincoln

- **Division C-9 Crops for Nutrition and Health**

  Mary J. Guttieri, USDA-ARS

- **Graduate Student**

  Christopher Barron, Purdue University

- **Industry**

  Leah A. Brilman, DLF

CSSA Division Chairs-Elect

- **Division C-1 Crop Breeding and Genetics**

  Jessica Rutkoski, University of Illinois–Urbana-Champaign

- **Division C-2 Crop Physiology and Metabolism**

  Raju Bheemanahalli, Mississippi State University

- **Division C-3 Crop Ecology, Management & Quality**

  Maninder Pal Singh, Michigan State University

- **Division C-4 Seed Physiology, Production, & Technology**

  Adam L. Mahan, USDA

- **Division C-5 Turfgrass Science**

  Susana R. Milla-Lewis, North Carolina State University

- **Division C-6 Forage & Grazinglands**

  Dr. Sandra Leanne Dillard, Auburn University

- **Division C-7 Genomics, Molecular Genetics, and Biotechnology**

  Sarah J. Whitcomb, USDA-ARS

- **Division C-8 Plant Genetic Resources**

  Daniel Packer, USDA-ARS

- **Division C-9 Crops for Nutrition and Health**

  Om Parkash Dhankher, University of Massachusetts–Amherst

Soil Science Society of America

SSSA President-Elect

John L. Kovar, USDA-ARS

SSSA Board Representatives

- **Agricultural Soil & Food Systems Group**

  Fabian G. Fernandez, University of Minnesota–Twin Cities

- **Diversity, Equity, Inclusion (DEI) Member-at-Large**

  Ankita Datta, University of Florida

- **Early Career Board Representative**

  Ekrem Ozlu, North Carolina State University

- **Education & Practicing Professionals Group**

  Clay A. Robinson, CRC Soil & Ecosystem Services

- **Fundamental Soil Science Group**

  Rebecca Lybrand, University of California–Davis

- **Graduate Student**

  Mumtahina Riza, University of Central Florida

SSSA Division Chairs-Elect

- **Forest, Range & Wildland Soils Division**

  Justin B. Richardson, University of Virginia

John Kovar, 2026 SSSA President-Elect

- **Nutrient Management & Soil & Plant Analysis Division**

  Rasel Parvej, University of Missouri–Columbia

- **Pedology Division**

  Ryan Hodges, USDA-NRCS

- **Practicing Professional Soil Scientists Division**

  Daniel J. King, Environmental, Consulting & Technology Inc.

- **Soil & Water Management & Conservation Division**

  Peter J. Tomlinson, Kansas State University

- **Soil Biology & Biochemistry Division**

  Sutie Xu, University of California–Davis

- **Soil Chemistry Division**

  Matthew Siebecker, Texas Tech University

- **Soil Education & Outreach Division**

  Jaclyn Fiola, Delaware Valley University

- **Soil Fertility & Plant Nutrition Division**

  Natasha E. Rayne, University of Wisconsin–Madison

- **Soil Mineralogy Division**

  Adrian P. Broz, Purdue University

- **Soil Physics & Hydrology Division**

  Quirijn de Jong van Lier, Universidade De Sao Paulo

- **Soils & Environmental Quality Division**

  Amitava Chatterjee, USDA-ARS

- **Urban & Anthropogenic Soils Division**

  Kirsten Schwarz, UCLA

- **Wetland Soils Division**

  Barret M. Wessel, Michigan State University

Seeking nominations for 2026

We are already gathering names for the 2026 election for presidents, boards of directors, and division/section chairs. If interested, simply inform a division or section chair in early fall, prior to CANVAS 2025, November 9-12 in Salt Lake City. Interested in learning more? Email Director of Governance Sara Uttech or call her at 608-268-4948
