What Did the Pandemic Teach Us About Teaching?

PAGE 10

Certification defines the profession through standards. These standards describe the knowledge, skills, and conduct that clients, farmers, employers, and government agencies can use to identify appropriate professionals. The Certified Crop Adviser (CCA) Program of ASA and the Certified Professional Soil Scientist (CPSS) Program of SSSA set and maintain the high standards that benefit you and your clients in your chosen career. The following are Society members who received new certifications in 2023.

- Caswell, Katherine E., Greeley, CO (CCA-CO)
- Cornelio, Karla T., Davis, CA (CCA-WR)
- Decker, Hannah Leigh, Hermitage, TN (CCA-SE)
- Dittlinger, Derek Alan, Bono, AR (CCA-AR)
- FitzSimons, Toby Ryan, Vadnais Heights, MN (CCA-MN)
- Forestieri-Munoz, Daniel, Liberty Township, OH (CCA-OH)
- Frantz, David D, Guymon, OK (CCA-OK)
- Mayta-Apaza, Juan Carlos, Saint Peters, MO
- Miller, Ethan J., Columbia, MO (CCA-MO)
- Ornelas Hernandez, Jose M., Pima, AZ (CCA-WR)
- Schmitz, Hans F., Wadesville, IN (CCA-IN, SSp, RMS)
- Slavens, Nathan Daniel, Tipton, IN
- Stoddard, Albert A., Yulee, FL (CPSS, CCA-SE)
- Streubel, Jason D., Springfield, MO (CCA-MO)
- Stuckey, Jason Wayne, Vancouver, WA (CPSS)
- Vaske, Zachary P., West Des Moines, IA (CCA-IA)
- Warner, Leslie Ann, Belding, MI (CCA-MI)

- Wynn, Chris R, Boise, ID (CCA-NW)
- Zeigler, Kory J., Redding, IA (CCA-IA)
